- 2. After submission of initial versions of the proposed notices to the Court on December 18, 2023, A.B. Data has continued to analyze and review the proposed notice process, including the draft notices attached as Exhibits A and B to my previous declaration, in order to provide the best practicable notice under the circumstances to Eligible Consumers.
- 3. A.B. Data has identified several references to "claim" or "claim form" in the initial versions of the notices that may cause consumer confusion because the distribution plan will not involve the use of a claims form for the majority of consumers.
- 4. For any consumers who have concerns about automatically receiving their payment due to outdated contact information or other circumstances, I understand from State Plaintiffs' Counsel that there will be a supplemental claims process after the automatic payments process is complete. To facilitate a notification process for affected consumers who may not receive an automatic payment, A.B. Data will include a form on the notice website that allows consumers to enter their contact information to be notified when this supplemental claims process starts.
- 5. A.B. Data has identified several references to a "Claims Administrator" in the initial version of the Long-Form Notice that should have been references to a "Notice Administrator."
- 6. Attached hereto as Exhibit A is a true and correct copy of an updated Long-Form Notice that resolves the above deficiencies and provides additional clarity.
- 7. Attached hereto as Exhibit B is a redline comparing the updated Long-Form Notice in Exhibit A to the initial version of the Long-Form Notice submitted on December 18, 2023.
  - 8. Attached hereto as Exhibit C is a true and correct copy of an updated Summary

<sup>&</sup>lt;sup>1</sup> Declaration of Eric Schachter in Support of States' Unopposed Motion to Give Notice of Proposed *Parens Patriae* Settlement, Document No. 522-4, filed December 18, 2023.

Notice that resolves the above deficiencies and provides additional clarity. 9. Attached hereto as Exhibit D is a redline comparing the updated Summary Notice in Exhibit C to the initial version of the Summary Notice submitted on December 18, 2023. I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed this 16<sup>th</sup> day of February 2024. DATED: February 16, 2024 By: Eric Schachter A.B. Data, Ltd. Milwaukee, Wisconsin
